School Description

Spring View Middle School is located in Rocklin, California. The seventh and eighth grade enrollment for the school year is nearly 900.

Teachers are divided into eight teams. Each team is composed of two to four teachers. In this environment, teachers are better able to network with each other to assist students who may need extra help and support. The teachers are in separate classrooms, and students rotate between the various classrooms.

Each student is assigned a classroom to be his/her homeroom. Students spend the first 7 minutes of each day in homeroom. During this time roll is taken, announcements are made, and any material to be sent home is distributed. After homeroom, students go to their first class. For some students this may be their elective, for others physical education, and for the rest it will be academic time scheduled by their core team teachers.

The students spend five periods out of the seven-period day in their teams. Four of the periods are scheduled for core academics (English, math, science, and social studies), and one period is for additional academic support or enrichment opportunities such as Broadcasting, Journalism, Drama, Leadership, Story Writing, Film History and Food Science. The remaining two periods of the seven-period day are reserved for physical education and electives. Each student has one period of physical education and one period of an elective. The electives currently available at Spring View for both grades include Concert Band, Jazz Band, Choir, String Orchestra, Art I, Art II, Family & Consumer Science (Home Economics), Exploratory Computer Science, Computer Science 1, Exploratory Spanish and Spanish I. A student who enters Spring View as a seventh grader and stays through the four semesters to promotion will be able to take four of the electives plus Honor Band offered during "0" period. Students are given the opportunity to indicate their first and second choices for an elective.

Mission Statement

Our mission at Spring View Middle School, a safe, rigorous and diverse learning community, is to inspire all students to become informed, resilient individuals who strive to reach their unique potential through innovation and relevant academic exploration, strengthened by an inclusive and collaborative culture.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Spring View Middle School is a beautiful facility that underwent a \$10 million renovation/new construction project and reopened in 2000. Six science classrooms, gymnasium/locker rooms, eight regular classrooms, and an amphitheatre represent new construction. All four existing buildings were gutted and remodeled. In addition, new infrastructure, walkways and landscaping were done. It is aesthetically pleasing as well as being an excellent environment for student learning - a school of which students, staff, and parents can be proud.

Spring View has a comprehensive safety and crisis intervention plan. District wide safety inspections are done on an ongoing basis throughout the year. In order to ensure student safety, adult supervision is provided before/after school and during lunches. In addition, all student activities are supervised by administration and teachers. Two School Resource Officers (SRO) serve our district full time. The school is designed to limit and control unauthorized access during the school days. Signs are posted requiring visitors to check in at the office. All visitors, substitute teachers, and roving employees wear I.D. badges. Fire drills, lock down drills, and evacuation drills are scheduled on a regular basis. The school is equipped with fire and intrusion alarms.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	63	68	71	72	50	50
Math	57	55	63	63	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Many opportunities are available to assist both students and staff at Spring View Middle School. Parents serve on our Site Council, chaperone field trips, and support their student's teachers in various ways. The school encourages parents to be involved in all aspects of the school's program. Parents also have the opportunity to take part in Spring View Parent Club, a volunteer organization that works to enhance and nurture relationships between students, staff and families. Please contact Mr. Collins at (916) 624-3381.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

All schools in the district have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. During the 2018-2019 school year, we continued to focus on improving student relationships, improving campus security and increasing respectful behavior towards others through a program called Positive Behavior Interventions and Supports (PBIS). PBIS works to build systems capacity for implementing a multi-tiered approach to social, emotional and behavior support. PBIS improves social, emotional and academic outcomes for all students, including students with disabilities and students from underrepresented groups.

Date Last Review/Update: February 2019; Date Last Discussed With Staff: November 2019

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

The Rocklin Unified School District is committed to high quality professional development that meets the needs of the staff aligned to the established Rocklin Unified Strategic Plan. The focus of our Professional Development is the following: a continuous development and commitment to Multi-Tiered System of Support; a commitment to research-based effective instructional practices and intervention strategies; also ensuring that all students are provided the necessary skills and prerequisites to meet post-secondary goals; and to ensure all students meet College and Career Readiness Standards.

Rocklin Unified School District provides 3 days of staff development annually to staff and have done this for the past three years.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
